## CONGRESS PRESIDENTS

Ferko Alexander, Prof., MD., PhD

Kala Zdeněk, Prof., MD., PhD

Váňa Juraj, Assoc. Prof., MD., PhD

## SCIENTIFIC COMMITTEE

Barla Jaroslav, MD

Edwin Bjørn, Prof., MD., PhD

Grolich Tomáš, MD., PhD

Klos Dušan, Assoc. Prof., MD., PhD

Korček Jozef, Assoc. Prof., MD., PhD

Marko Ľubomír, Assoc. Prof., MD., PhD

Martínek Lubomír, Assoc. Prof., MD., PhD

Mego Michal, Prof., MD., PhD

Olivérius Martin, Assoc. Prof., MD., PhD

Őrhalmi Július, MD., FASCRS

Parvaiz Amjad, Prof., MD., PhD, MBBS, FRCP, FRCS

Pechan Juraj, Prof., MD., PhD

Pindák Daniel, Assoc. Prof., MD., PhD

Radoňák Jozef, Prof., MD., PhD, MHA

Ryška Aleš, Prof., MD., PhD

Škrovina Matej, MD., PhD

Tomáš Miroslav, MD., PhD

Váňa Juraj, Assoc. Prof., MD., PhD

Slovak Surgical Society

## 5. 5. 2022 VIDEOONKOCHIRURGIA

### SECTION: Tumor diagnosis / 15 min

1. **Ryška A./CZ:** Liquid biopsy.
2. **Tachecí I./CZ:** Artificial Intelligence in gastrointestinal endoscopy.

### CONGRESS OPENING

### SECTION: State of the Art Lectures – Minimally-invasive HPB surgery / 15 min

1. **Edwin B./Norway:** 24 years' experience with laparoscopic liver surgery.
2. **Aldrighetti L./Italy:** Laparoscopic liver resection and re-resection for HCC.
3. **Ivanecz A./Slovenia:** External validations of difficulty scores for laparoscopic liver resection.

### SECTION: State of the Art Lectures / 15 min

1. **Wittel U./Germany:** European Mininvasive Registry: Where we are heading in minimally invasive pancreatic surgery.
2. **Oliverius M./CZ:** Pancreatic surgery in elderly patients.

### On line presentation:

3. **Efanov M./Russia:** Outcomes of robotic resection for perihilar cholangiocarcinoma: Comparison with open approach.

## LUNCH

### SECTION: Colorectal – anastomotic leak prevention / 15 min

1. **Parvaiz A./UK:** Anastomotic leak fighting: high-risk patient or high-risk surgeon?
2. **Knol J./Belgium:** The importance of fecal diversion in anastomotic leakage prevention. Do we have high-quality data?
3. **Procházka V./CZ:** Pull-through colorectal anastomosis: old fashion approach in a new jacket?
4. **Ferko A./CZ/SK:** Trans-anal mucosa plication in colorectal anastomotic leak prevention.

### SECTION: Advanced rectal cancer - State of the art lectures / 15-20 min

1. **Bujko K./Poland:** Rectal cancer: preoperative 5 × 5 Gy alone or combined with consolidation chemotherapy is sufficient.
2. **Melichar B./CZ:** Update on treatment strategy for IV stage rectal cancer.
3. **Klos D./CZ:** Update on HIPEC: intraperitoneally disseminated colorectal cancer.
4. **Ryška A./CZ:** What is new in pathological classification of colorectal cancer?

**SECTION: Surgical technique - video presentations HPB / 8 min**

1. **Edwin B./Norway:** Formal laparoscopic right hemihepatectomy.
2. **Aldgrighetti L./Italy:** Laparoscopic liver resection and intra-operative ICG navigation.
3. **Ivanecz A./Slovenia:** Laparoscopic resection of liver segment S6, S7 – right lateral sectionectomy.
4. **Ferko A./CZ/SK:** Laparoscopic extended right hemihepatectomy.

**SECTION - Oral presentation Liver / 15 min**

1. **Aldgrighetti L./Italy:** Laparoscopic liver resections in synchronous liver metastasis. Optimal timing in respect to perioperative chemotherapy.
2. **Třeška V./CZ:** Postoperative liver failure prevention and techniques for FLR regeneration.
3. **Aghayan D./Norway:** Growth pattern in colorectal liver metastasis. An independent predicting factor for patient survival.

**SECTION: Surgical technique - video presentations colorectal / 8 min**

1. **Knol J./Belgium:** Laparoscopic splenic flexure mobilization.
2. **Korček J./SK:** Sleeve trans-anal resection for low rectal cancer.
3. **Parvaiz A./UK:** Robotic splenic flexure mobilization.
4. **Ferko A./CZ/SK:** Blood supply variations to the colon and their impact on splenic flexure mobilization.

**COFFEE BREAK****SECTION: Colorectal 2 / 15 min**

1. **Ignatjovic D./Norway:** Laparoscopic and Robotic D3/right hemicolectomy.
2. **Örhalmi J./CZ:** Laparoscopic right hemicolectomy - difference between D3 lymphadenectomy and CME.
3. **Luzon J./Norway:** Using innovative 3D imaging tools for vascular navigation during right colectomy with D3 mesenterectomy.
4. **Škrovina M./CZ:** Total mesorectal excision and functional outcome.
5. **Korček J./SK:** Locally advanced rectal cancer: preoperative parameters extending the indication for sphincter preserving surgery.

**SECTION: Surgical technique - video presentations**

1. **Efanov M./Russia:** Robotic pancreaticoduodenectomy step by step.
2. **Slobodník I./SK:** Extra Glissonian approach to the right hemihepatectomy.
3. **Ferko A./CZ/SK:** Laparoscopic caudate lobectomy with vena cava repair.

## 6. 5. 2022 VIDEOONKOCHIRURGIA

### 37. STREDOSLOVENSKÉ CHIRURGICKÉ DNI

#### SECTION: Pancreas

1. **Ryška A./CZ:** Evaluation of the risk of transformation of preneoplastic/early neoplastic pancreatic lesions into invasive cancer.
2. **Wittel U./Germany:** Neoadjuvant therapy in pancreatic ductal adenocarcinoma. What we can achieve in borderline resectable tumors and in resectable tumors?
3. **Kala Z., Procházka V./CZ:** Left pancreatectomy, techniques and modification.
4. **Sahakyan M./Norway:** Selection criteria for laparoscopic distal pancreas resection.

#### SECTION: Postgradual education

1. **Tachecí I./CZ:** Modern diagnostics methods in GI tract (from capsule endoscopy to confocal laser endomicroscopy).
2. **Urban O./CZ:** Benign liver and perihilar lesions mimicking malignancy.

#### COFFEE BREAK

#### SECTION: Quality program in surgery

1. **Oliverius M./CZ:** Kvalitativní ukazatele v pankreatické chirurgii. Data z České republiky.
2. **Örhalmi J./CZ:** Výsledkové ukazatele kvality pro karcinom rekta a karcinom tlustého střeva v ČR.
3. **Ferko A./CZ/SK:** Implementace parametrických ukazatelů hodnocení radikality hodnocení resektů rekta na Slovensku (za pracovní skupinu grantu MZSR).

10:45 - 11:45 Free papers 1 (voľné témy)

11:45 - 12:45 Free papers 2 (voľné témy)

13:30 - 14:00 Congress farewell

#### Notice:

The time schedule of individual sections and lectures, and their division into individual congress days will be published in the final program.

## INFORMATION FOR PARTICIPANTS / INFORMÁCIE PRE ÚČASTNÍKOV

**On-line registration/On-line registrácia:** [www.videoonkochirurgia.sk](http://www.videoonkochirurgia.sk)

### **Registration/Registrácia:**

PALACE ART HOTEL, Pezinok, FOYER

Thursday 5<sup>th</sup> May / Štvrtok, 5. máj: **07.30 - 19.00**

Friday 6<sup>th</sup> May / Piatok, 6. máj: **07.30 - 11.00**

### **Venue/Miesto konania:**

PALACE ART HOTEL Pezinok

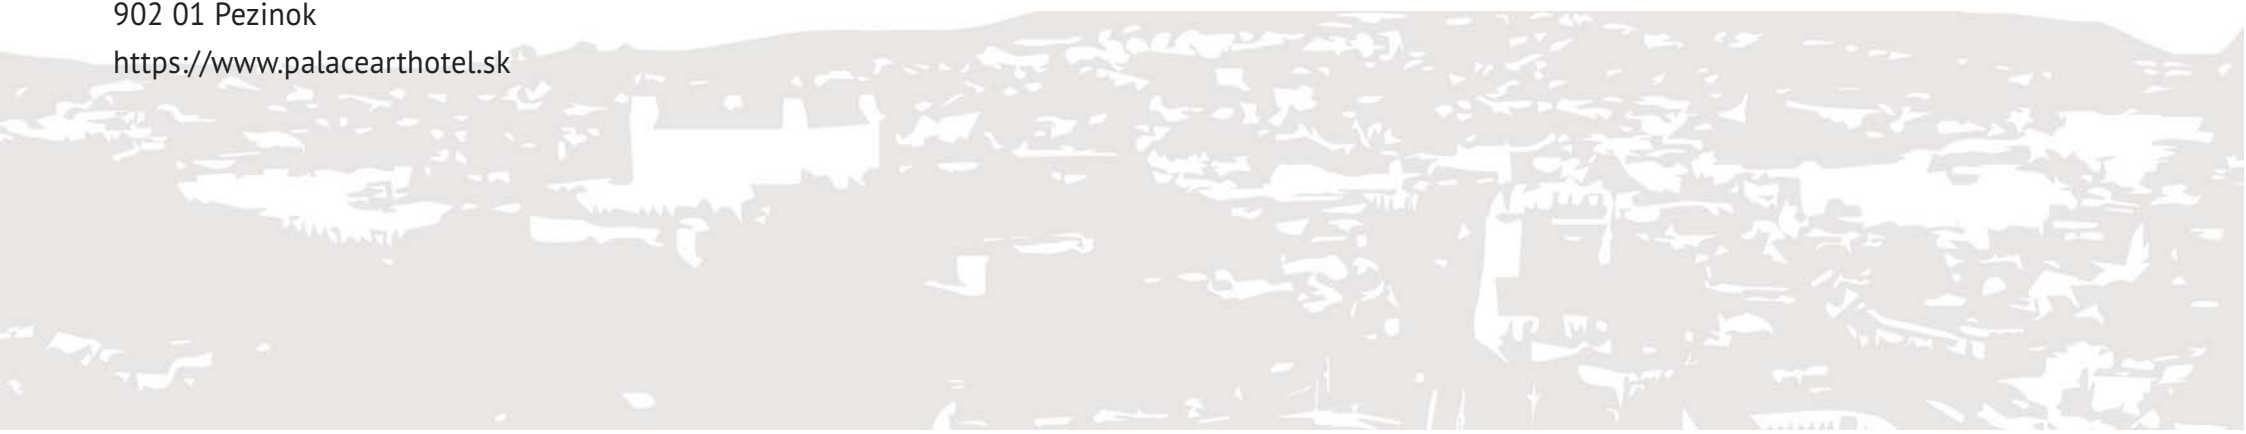

Mladobošlavská 5

902 01 Pezinok
